

# Gender-affirming care services

Whether you're seeking hormone therapy, mental health services, or surgical procedures — or if you aren't sure what your goals are yet — Kaiser Permanente has an array of resources to support you on your journey.

## Covered services

- Mental health care
- Office visits
- Lab and imaging services
- Hormone therapy visits and administration
- Pharmacy services
- Preoperative and postoperative exams
- Facial hair removal
- Vocal therapy
- Tracheal shave
- Mastectomy with chest reconstruction and gender-affirming chest surgery
- Gender-affirming facial surgery
- Gender-affirming genital surgeries
- Inpatient hospital care
- Outpatient care
- Treatment for medical complications
- Travel and lodging (when referred by Kaiser Permanente to a facility outside your region)

**Note:** Covered services may be subject to change. All services are based on determination of medical necessity by a Kaiser Permanente physician. In our California plans, facial hair removal, breast augmentation, and facial reconstructive surgery are covered when these procedures meet the *Evidence of Coverage* definition of reconstructive surgery for the particular patient. In our Oregon plan, breast augmentation and facial reconstruction surgery are covered when determined to be medically necessary.
